1. Request for Assignment Deadline Extension

Subject: Extension Request: Capstone Assignment – Mayank Anand (25BAI11209)

Dear Dr. Sarah Chen,

I am writing to respectfully request an extension for the Advanced Data Structures Project currently due on Apr 15, 2026 .

As a student in the SCAI department, I am deeply committed to the quality of my submissions. However, due to unforeseen personal circumstances, I require additional time to ensure my work meets the required academic standards.

I would appreciate it if you could grant me an extension until Apr 22, 2026 .
Thank you for your time and consideration of my request.

Sincerely,

Mayank Anand
Registration Number: 25BAI11209
School: SCAI

2. Internship Application

Subject: Internship Application – Machine Learning Research Intern – Mayank Anand

Dear Mr. Alex Rodriguez,

I am writing to express my strong interest in the Machine Learning Research Intern internship at Innovatech Solutions. As a student with a technical focus at SCAI, I have developed a robust foundation in Python and data management.

My practical experience includes:

- Developing a pediatric care platform using GitHub for version control.
- Designing a digital literacy assessment tool using Google Forms and Sheets for real-time data analysis.
- Utilizing platforms like Kaggle and Stack Overflow to build practical machine learning expertise and problem-solving skills.

I am eager to apply my technical background and university-level research skills to support your team's current projects. Please find my resume and portfolio linked below for your review.

Thank you for your consideration. I look forward to the possibility of discussing how my skills align with your needs.

Best regards,

Mayank Anand
